SEARCH INFOTECH HIREN GAJERA'S FATHER INAUGURATED  
3RD SHOW ROOM AT SURAT ON FATHER'S DAY ON 18/06/2023

Search Infotech Surat inaugurated 3rd Show Room in Surat on Sunday 18/06/2023 Mr. Hiren Gajera, owner of Search Infotech, has opened a new old computer and laptop showroom in Nanpura, Surat which is considered to be the hub of IT. To make this auspicious occasion more memorable and to cultivate family spirit, he chose father's day and inaugurated his new showroom on this day by his father Ramniklal B Gajera. Mr. Vivek Vekaria who is his associate in this showroom and family members are also connected with the staff. Adding more light to this auspicious occasion, Mr. Pratik Mordia, President of Surat Computer Association and Mr. Bihag Desai, President of South Gujarat IT Association (SITA) arrived along with the representatives of Both Association along with the committee members. And they wished Hiren Gajera and Vivek Bhai. And at the same time, many members of the IT sector of Surat, friends and family stayed there and wished them for new venture.

iPhone 15 Series to be Equipped with  
Larger Batteries than iPhone 14 Lineup

iPhone 15 series is expected to make its debut later this year, and Apple's next-generation iPhone models are expected to feature a major upgrade in terms of battery life, according to a report. The Cupertino company is said to equip all four purported smartphones in the series — the iPhone 15, iPhone 15 Plus, iPhone 15 Pro, and iPhone 15 Pro Max — with larger batteries. It is worth noting that Apple does not typically reveal detailed battery specifications of existing iPhone models. According to an ITHome report (in Chinese) citing a source at Foxconn, the iPhone 15 will be equipped with a 3,877mAh battery, up from 3,279mAh on the iPhone 14. The larger iPhone 15 Plus will reportedly feature a 4,912mAh battery — expected to be the largest battery to debut in an iPhone to date — which is higher than the 4,323mAh battery on the iPhone 14 Plus. Meanwhile, the more expensive iPhone 15 Pro will be equipped with a 3,650mAh battery, up from the 3,200mAh cell on its predecessor, the iPhone 14 Pro. The top-of-the-line iPhone 15 Pro Max will reportedly be equipped with a 4,852mAh battery, which is larger than the 4,323mAh unit on the iPhone 14 Pro Max. This means that unlike the company's existing models, the iPhone 15 Plus could be equipped with a larger battery than the iPhone 15 Pro Max. Larger batteries aren't the only upgrade expected to arrive on the iPhone 15 series later this year. Last month, it was reported that Apple would equip the entire lineup with 48-megapixel camera sensors for the primary camera. Last year, the iPhone 14 and iPhone 14 Plus were equipped with a 12-megapixel main camera, while the iPhone 14 Pro lineup featured a 48-megapixel main camera with second-generation sensor-shift OIS support. Images of a purported case for the iPhone 15 Pro recently surfaced online, showing a large cutout for the camera module along with subtle changes to the button layout on the handset. This year, Apple is rumoured to drop its ubiquitous mute switch in favour of a mute button that could also be used as an Action button, similar to the one found on the Apple Watch Ultra. However, it is worth taking these leaked details and claims with a pinch of salt as Apple is yet to announce any details of the purported iPhone 15 series.

# TAIT-LAPCARE KNOWLEDGE MEETS LAUDED BY MUMBAI'S ICT FRATERNITY

MEDIA  
PARTNER

**TWO DISTINCTIVELY DESIGNED 'KNOWLEDGE MEETS' HELD FOR MUMBAI DEALERS IN GRANT ROAD AND VILE PARLE RESPECTIVELY; FEATURING EDIFYING AND PERSONAL-DEVELOPMENT MATERIAL**

TAIT Lapcare Knowledge meet in Grant Road, Mumbai

Eminent Economist, Bipin Deokar, being felicitated jointly by Lapcare and TAIT

Training and Product Demos in Vile Parle, Mumbai

**Mr. Champak Gurjar**  
President - TAIT  
Maxtone Electronics Pvt. Ltd.

**Mr. Parag Shah**  
Gen. Secretary - TAIT  
Futech Computers

Mumbai's TAIT Association, and award-winning ICT brand Lapcare, joined forces to conduct two uniquely designed 'Knowledge Meets' this month, for Mumbai's ICT fraternity. The meets have been described by attendees to be exceptionally informative, edifying and enjoyable.

The meets were creatively designed to contain 3 main components (or pillars):

1. Technology-centric content
2. Business-centric content
3. Personal growth centric content

Over 100 business owners attended the knowledge meets and many expressed their appreciation for the innovative format. TAIT, based in Parel Mumbai, is one of the oldest IT associations in the country, with a history of 27 years. Lapcare is one of India's most

recognized ICT brands, who pride themselves in being "the quintessential Dealer's Brand", undertaking many initiatives year-round and country-wide to help dealers reach their true potential. The first event was held in Grant Road, the City's IT nerve-center, and the most prominent IT highstreets in Western India.

IT Distributors, Dealers, aggregators, consultants and systems integrators were treated to a session from an eminent Economist, held in classical 'Talk Show' format. The Guest of Honor gave insights about India's economic outlook for the next 12 months, and explained how the ICT fraternity can do well in the face of any possible Economic condition. The Economist also mentioned E-Waste compliances and the need for

environmentally sound recycling.

Mumbai's IT businessmen also got a chance to see (and feel) Lapcare's wide range of products, including the many new arrivals in the Sound Systems, Gaming, Mobility and Networking verticals. The Lapscan Antivirus packages, a part of Lapcare's portfolio, were also appreciated by many businessmen who already have a history in selling various anti-malware products.

The ensuing event was held 5 days later in Vile Parle, for the convenience of businesses in the bustling Andheri marketplace and nearby suburbs. This second event featured an innovative hands-on workshop on NLP (Neuro Linguistic Programming),

aimed towards leadership development and personal development of entrepreneurs. During this event also, Lapcare also gave a full presentation and technical demos. Multiple Lapcare product bays were setup for businessmen to accurately understand product features and highlights. Further, Lapcare announced their plans of betting big on the wearables and hearables genres later this year.

Lapcare's large speakers (Ramp, Beast and Lapsonic) were stars of the show, much lauded by visitors. In a region that loves lively upbeat music, these products are public favorites. The twin tower speakers, with extra heavy bass and true surround sound, are perfect to pair with your TV to enhance viewing

experience. Lapcare's Portable speakers with their convenient grab-and-go compact design were also on display, much desired by today's youngsters and the young-at-heart, who love outdoor recreation and adventure.

Mr. Shah, an IT Consultant who attended both events said at the end, "The events were thoughtfully designed and very valuable. We could take back some really actionable points to apply in business. Kudos to the TAIT-Lapcare fellowship in this regard". After the success of these two events in tandem, TAIT and Lapcare may collaborate for other activities in the greater Mumbai area. For further information, write to [cmo@lapcare.com](mailto:cmo@lapcare.com)

## AMAZON USER SURVEY ON WEB BROWSERS HINTS AT DEVELOPMENT OF NEW BROWSER SOFTWARE

Amazon might be working on a web browser, according to a recent poll conducted by the e-commerce giant. The company recently quizzed users on the possibility of them downloading and trying out a new web browser. The questionnaire being circulated by the tech giant suggests that it is considering the development of a new browser. Currently, Google Chrome is the most used browser in the world, with 65.84 percent of the market share, as per recent statistics. A recent tweet by Consumer Reports senior reporter Nicholas De Leon (via Phone

Arena) includes a screenshot of a survey by Amazon seeking details on web browser usage. The survey appears to have been disseminated via e-mail and did not appear on any of

Amazon's social networking profiles.

The company, in its survey introduction, said that participants will be "contributing to innovations that have the potential to

improve the browsing experience for millions". Meanwhile, the survey asks users questions about syncing data across devices, browser extensions, privacy and third-party tracking, and shopping related features. In recent years, Amazon expanded its services from e-commerce services to now include a production company as well its own video and music streaming services. Amid the ongoing financial slowdown, Amazon decided to lay off another 9,000 employees from its cloud and advertising workforce earlier this week.

It is only natural, that it begins to look for more avenues to churn in capital to give its business a cushion of safety amid the ongoing economic turbulence. A web browser would elevate Amazon's position against its competitors like Google and Microsoft, both of which also have their own browsers. If Amazon does create a browser, it would be interesting to see whether the company would equip it with Web3 capabilities. The company is also reportedly working on launching an NFT initiative linked to its online shopping website.

# TENDA ANNOUNCES WI-FI 6 ROUTERS 'RX2 PRO' & 'TX2 PRO' FOR HOME USERS

**AUTO-SWITCHING DUAL-BAND OPERATION FOR WIDER COVERAGE AND FASTER SPEEDS**

Tenda announces the launch of two new high-performance AX-Series Gigabit Wi-Fi 6 routers for whole-home Wi-Fi coverage for medium and large households. Presenting the new Tenda RX2 Pro and Tenda TX2 Pro Dual-Band Gigabit routers featuring the next-generation Wi-Fi 6 technology. The high-performance wireless routers are aimed at those seeking a single router for their medium to large households.

The Tenda RX2 Pro and Tenda TX2 Pro offer the latest dual-band wireless technology featuring AX1500 (802.11 AX) that can deliver high-speed data up to 1.5 Gbps or 1500 Mbps. The 5GHz transmission mode can serve AX-compatible devices with speed of up to 38% faster than conventional Wi-Fi 5 (802.11 AC) routers with data throughputs of up to 1201 Mbps.

The 2.4GHz transmission band offers a wider coverage with up to 300 Mbps. Featuring 5 external 6dBi

antennas powered by a high-performance signal enhancement module for higher transmission and reception sensitivity, the wireless routers provide a superior whole-home Wi-Fi 6 coverage for medium and large households, and eliminate dead zones. Equipped with a smart auto-switching dual-band operation, the router can be configured with a single common SSID for both the 2.4GHz and 5GHz bands. Connecting devices can automatically detect and communicate with the router with wider coverage and faster speeds. Not only this, the routers also offer next-generation technologies,

**Tenda®**

such as MU-MIMO + OFDMA that significantly help improve the network performance to simultaneously serve multiple endpoints, reduce latency, and ensure stable connectivity. Non-wireless devices can also connect to the router using its physical Gigabit Ethernet ports for smoother work and ultra-speed networks.

Other features on the Tenda RX2 Pro and TX2 Pro include High class Security with WPA3, Guest mode Wi-Fi, Network Detection, Smart Power Saving, MAC Clone and IPV6 Protocol. Parental Controls are in-built that can help parents monitor and control their children's online behaviour to cultivate a better and healthier habit of web surfing. You can also blacklist/whitelist websites, and set bandwidth speeds and quotas to protect your entire family's online presence. The routers can be

set up, configured and controlled from your browser or app, locally or remotely. They can also be configured to operate as a Universal Repeater (Client + AP) or as an Access Point.

#### Pricing and Availability:

Tenda RX2 Pro and TX2 Pro Wi-Fi 6 wireless routers are available in the market at a price point of INR 4,221 and INR 4,161 respectively. Users can purchase these products through all leading online and offline retail stores across India.

#### About Tenda:

Founded in 1999, Tenda Technology is the worldwide leader in networking devices and equipment. Tenda has committed to delivering easy-

to-install and affordable networking solutions, offering innovative, cutting-edge products to realize people's intelligent life.

The brand has been successfully providing cutting-edge technology in home networking, business networking, and video surveillance. The products category cover various network devices including Router, Mesh, Switch, Gateway, Access Point, Outdoor CPE, Security Camera and so on. All the products are characterized by best quality and long-lasting utilization.

Combined R & D, manufacturing & sales together, Tenda adopts the latest technology and professional service system to establish reliable network and leading high-tech company in the world. For further information, please visit: [www.tendacn.com/in](http://www.tendacn.com/in)

To buy, please visit: Tenda RX 2 Pro (Amazon) & Tenda TX 2 Pro (Amazon)

## BHARAT 6G ALLIANCE PLATFORM FOR STAKEHOLDERS LAUNCHED TO PUSH NEXT-GENERATION WIRELESS TECHNOLOGY

**ACCORDING TO THE GOVERNMENT, BHARAT 6G ALLIANCE WILL FORGE COALITIONS AND SYNERGIES WITH OTHER 6G GLOBAL ALLIANCES.**

The Department of Telecommunications has launched Bharat 6G Alliance to drive innovation and collaboration in next-generation wireless technology.

Bharat 6G Alliance (B6GA) is a collaborative platform consisting of public and private companies, academia, research institutions, and standards development organizations. Mobile services have seen the transformation from 2G to 3G to 4G to 5G and now 6G is on the horizon.

Notably, telecom service providers in India started providing high-speed 5G services in the country in October 2022. The

government issued spectrum allocation letters to telecom service providers in August 2022, asking them to prepare for the rollout of 5G services in the country.

Department of Telecom had received total bids worth Rs. 1.50 lakh crore from the 5G spectrum auction.

The Telecom sector is a continuously evolving sector with high technological obsolescence. It has seen the transformation from Wire-line to Mobile services.

Ashwini Vaishnaw, Union Minister for Communications, Electronics and Information Technology on Monday

announced this Bharat 6G Alliance. The website for Bharat 6G Alliance was also launched.

According to the government, Bharat 6G Alliance will forge coalitions and synergies with other 6G Global Alliances. The primary objective of it is to understand the business and societal needs of 6G beyond technical requirements, foster consensus on these needs, and promote high-impact open research and development (R & D) initiatives.

B6GA aims to bring together Indian startups, companies, and the manufacturing ecosystem to establish consortia that drive the

design, development and deployment of 6G technologies in India.

Addressing the occasion, minister Vaishnaw said that series of reforms have been undertaken for the telecom sector as a sunrise sector in the past nine years. He added that the world is following the path of technology that India is following.

He mentioned that in the past 9 years data cost has reduced from Rs. 300 per GB in 2014 to Rs. 10 per GB in 2023.

Further, he said, in consequence with Prime Minister Narendra Modi's visit to the US, both countries shall co-create technology and the change shall be instrumental to 'Developed India'.

## FITAG AGM - 2023

FEDERATION OF IT ASSOCIATIONS OF GUJARAT

## MR. ALOK GHELANI ELECTED AS A NEW FITAG PRESIDENT

✧ A TRIBUTE WAS PAID TO THE LATE FORMER PRESIDENT SHREE HITESHBHAI PATNI.  
✧ OUR ESTEEMED VP MR. KETANBHAI DOSHI HAD VOLUNTARILY ANNOUNCED HIS RETIREMENT.

Today, the annual general meeting of the Federation of Information Technology Associations of Gujarat (FITAG) took place in Vadodara. The meeting was held at the Lakshmi Vilas Palace, and it was attended by representatives from 42 associations in Gujarat, as well as members of the FITAG team. Everyone was delighted to witness the formation of a new team and the inclusion of new members in this organization. Many existing members also reiterated their commitment to the new initiatives and projects to be undertaken in the coming year. Mr. Alok has taken over as the new president and will be responsible for the organization's activities for the next two years.

During his tenure, Mr. Pranav has accomplished numerous significant tasks and shared the details with all the members. He has successfully coordinated various activities, including the Samanvay Yatra, Taiwan IT Expo and the AGM, which were the highlights of his term.

- (6) Shri Varun Amin - Secretary
- (6) Shri Uren Patel - Secretary

We want to express our deep admiration for a person who always has a radiant smile. He has a special ability to remain calm and patient in any situation and find solutions. He is a very relaxed person who never worries and makes decisions calmly and wisely.

Even though he is involved in many social activities like NPSS Vadodara, actively participates in the BJP IT Cell Gujarat, and is a member of the Gujarat Modh Modi Samaj, he still devotes a lot of energy to FITAG and other social work.

He is a person dedicated to serving others without any selfishness, always with a smile on his face. He shares his wisdom and has excellent communication skills. When we talk to

him, we don't feel like we are talking to a big leader. He is so humble in his actions and way of speaking that he feels like someone who is just like us.

His personality and presence are wonderful, and we feel privileged to have interacted with him. He listens to different perspectives and makes fair decisions, considering both sides. He implements suggestions without drawing attention to himself. It's hard to believe that he is no longer with us, but we remember him with tears in our eyes and smiles on our faces.

He participated in all FITAG activities, teaching and motivating us about the business world. He showed us how to survive in tough market conditions with his excellent business skills and high levels of intelligence and emotional intelligence (EQ).

Our esteemed VP Mr. Ketanbhai Doshi had voluntarily announced his retirement due to his busy schedule and inability to actively fulfill his role. We regret missing out on expressing our gratitude to Mr. Ketanbhai Doshi, the star of our organization, who contributed significantly to

Fitag's growth and strengthened its association with the Saurashtra zone. Following his association with Fitag, he has worked diligently and effectively in various capacities, ultimately joining more associations in our organization. Together with everyone, he has worked towards the development of Fitag and its progress, making extensive efforts for its advancement. We fondly remember Mr. Ketanbhai Doshi, our Vice President of the Saurashtra zone, and we will continue to remember him. We are indebted to his contributions.

Today, FITAG's AGM for the year 2022-23 was held at Lakshmi Vilas Palace in Vadodara. All the members attended the event and registered themselves in the morning. It was a delightful experience, accompanied by photography. Along with Vadodara, all the 43 associations from Gujarat participated in the AGM. The event commenced with the national anthem, followed by an opening speech by Secretary Shri Varunbhai Amin and Uvenbhai Patel, who extended warm greetings to everyone.

A tribute was paid to the late former President Shri Hiteshbhai Patani, which evoked emotions and brought back memories shared with him. Subsequently, Mr. Pranavbhai Parikh presented the activity report of the past year, highlighting the successful completion of the Samanvay Yatra South Zone journey within just two days. Additionally, he organized the TAIWAN IT EXPO VISIT, which enhanced the members' knowledge and familiarized them with new technologies. It was the largest delegation from India to visit the expo. Apart from that, Fitag President Conclave also organized an event last year.

Mr. Alok Ghelani, the newly elected President, made an announcement regarding his committee and had a group photograph taken along with the committee members. Nandakbhai took care of intellectual stimulation during this time, which was highly appreciated by everyone.

Our esteemed VP Mr. Ketanbhai Doshi had voluntarily announced his retirement due to his busy schedule and inability to actively fulfill his

role. We regret missing out on expressing our gratitude to Mr. Ketanbhai Doshi, the star of our organization, who contributed significantly to Fitag's growth and strengthened its association with the Saurashtra zone. Following his association with Fitag, he has worked diligently and effectively in various capacities, ultimately joining more associations in our organization. Together with everyone, he has worked towards the development of Fitag and its progress, making extensive efforts for its advancement. We fondly remember Mr. Ketanbhai Doshi, our Vice President of the Saurashtra zone, and we will continue to remember him. We are indebted to his contributions.

Finally, I would like to express my gratitude to Mr. Vitragbhai Bhandari and Ketanbhai Gohil for their vote of thanks. Their contribution is immense, especially in organizing such a grand event at the magnificent Lakshmi Vilas Palace, which is comparable to London's Buckingham Palace. The visit to the palace and the high tea arranged afterwards were enjoyed by all the

# સ્માર્ટફોન અને સોશયલ મીડિયા સાપને સંઘરાય, પણ દૂધ પાઈને મોટો ના કરાય

કોઈપણ મોબાઈલ કંપની માટે એ આત્મઘાતી જ કહેવાય કે તેના ગ્રાહકોને મોબાઈલ ફોનનો વપરાશ ઓછો કરીને, પરિવારને સમય આપવાની સલાહ આપે, પરંતુ ચાઈનીઝ મોબાઈલ માંધાતા કંપની વિવોએ આવી જ સલાહ આપી છે, અને તેની પાછળ ભારતમાં સ્માર્ટફોનના વપરાશનો એક સર્વે કરાવેલ છે. કંપનીના એક તાજા પ્રચારમાં, આમિર ખાન પરિવાર સાથે બ્રેકફાસ્ટના ટેબલ પર સ્માર્ટફોનમાં વ્યસ્ત છે. તેનો નાનો દીકરો પિતા બેઠ્યાન છે એટલે અકળાય છે, અને નવા વર્ષની ગિફ્ટમાં મોબાઈલ ફોનની માગણી કરે છે. અચંબિત આમિર તેને કહે છે કે. તું હજુ નાનો છે. દીકરો કહે છે કે મને તમારો ફોન ગિફ્ટમાં જોઈએ છે, જેથી હું તેને બંધ કરીને દૂર મૂકી દઉં. એમાં સંદેશો એવો છે કે, તમારો ફોન

બંધ કરીને, પરિવારને સમય આપો.

આમાં અમિર ખાનની પસંદગી પણ સૂચક છે. તે સામાજિક મુદ્દાઓ પ્રત્યે જાગૃત એક્ટર છે, અને ભૂતકાળમાં વખતોવખત એવું કહી ચુક્યો છે કે તે કામના સ્થળે મોબાઈલ ફોન નથી વાપરતો. બીજું કારણ એ છે કે આ કંપની તેમજ સાઈબર મીડિયા રિસર્ચનો એક સર્વે કહે છે કે ભારતમાં સરેરાશ માણસ વર્ષ દીઠ ૧,૮૦૦ કલાક સ્માર્ટફોન પાછળ ગાળે છે. તેમણે ૧૮થી ૪૫ વર્ષની વય વચ્ચેના ૨,૦૦૦ ભારતીયોની ફોનની આદત અંગે સર્વેક્ષણ કર્યું હતું. તેમાં આ તારણો આવ્યાં હતાં:

૧ સરેરાશ ભારતીય તેના ઊંઘવાના સમયને બાદ કરતાં એક તૃતીયાંશ સમય ફોન પાછળ આપે છે, જે વર્ષના ૧,૮૦૦ કલાક થાય.

## સંકલન :- રાજ ગોસ્વામી

૨ ૧૦ વર્ષ અગાઉની સરખામણીમાં, આજે ૩૦ ટકાથી ઓછા લોકો મહિનામાં એકથી વધુ વખત પરિવાર અને પ્રિયજનોને મળે છે. ૩ ત્રણમાંથી એક માણસ એવું કહે છે કે તે તેનો ફોન ચેક કર્યા વગર, પાંચ મિનિટ માટે પણ તેના મિત્રો કે પરિવાર સાથે વાત નથી કરી શકતો. ૪ ૭૩ ટકા લોકોએ એ સ્વીકાર્યું હતું કે, જો આ જ ગતિએ સ્માર્ટફોનનો ઉપયોગ ચાલતો રહેશે, તો માનસિક અને શારીરિક તંદુરસ્તી પર તેની ગંભીર અસર પડશે. ૫ પાંચમાંથી ત્રણ લોકો કહે છે કે સુખ માટે એક જીવન એવું પણ હોવું જોઈએ, જે મોબાઈલથી વેગળું હોય.

લોકો શા માટે સ્માર્ટફોનથી અલગ

રહી શકતા નથી...? અંગ્રેજીમાં તેના માટે એક નવો શબ્દ આવ્યો છે, ફોમો ; ફીયર ઓફ મિસિંગ આઉટ (ચુકી જવાની ડિટા). આ જ

સર્વેમાં સતત સ્માર્ટફોન ચેક કરતા રહેવા પાછળનાં કારણો પૂછવામાં આવ્યાં, તો ૨૧ ટકા લોકોએ કહ્યું કે તેમને અપરેટ્સ ચુકી જવાય, તેની ફિક્કર છે. ૧૨ ટકા લોકોએ કહ્યું કે કામકાજ સંબંધિત મેસેજ ચુકી ના જવાય એટલે. ૧૦ ટકા લોકોએ કહ્યું કે સોશયલ મીડિયા પર સક્રિય રહેવા માટે તેઓ સતત ફોન હાથમાં રાખે છે, અને ૮ ટકા લોકોએ કહ્યું કે મિત્રો સાથેનો સંપર્ક જાળવી રાખવા તેઓ ફોન ચેક કરતા રહે છે. ૭૮ ટકા લોકોએ કહ્યું કે રાત્રે સૂતાં પહેલાં છેલ્લે અને સવારે ઉઠતાવેંત પહેલાં તેઓ તેમનો ફોન ચેક કરે છે. ૨૦ ટકા લોકો ઊંઘીને ૫ મિનિટમાં. ૩૨ ટકા લોકો ૧૫ મિનિટમાં, ૨૨ ટકા લોકો ૩૦ મિનિટમાં, ૭ ટકા લોકો ૨ કલાકમાં અને ૮ ટકા લોકો ૩ કલાકમાં તેમનો ફોન ચેક કરે છે. (સોર્સ: મુંબઈ સમાચાર)

## ૧૦૦૮ થી વધુ શાળા-કોલેજોમાં બ્રેઈન યોગા શીખવી વર્લ્ડ રેકોર્ડ રચ્યો

સ્વખર્ચે બાળકોના બ્રેઈન યોગા પ્રોગ્રામ કરતા કુકરવાડાના ટ્રેનર શૈલેષ પટેલ

મહેસાણા અને ગાંધીનગર જિલ્લામાં છેલ્લા પાંચ વર્ષ દરમિયાન સ્વ ખર્ચે ૧૦૦૮થી વધુ શૈક્ષણિક સંસ્થાઓમાં બાળકોને

બ્રેઈન યોગા અને તંદુરસ્ત જીવન શૈલીના પ્રોગ્રામ કરીને કુકરવાડા ગામના શૈલેષ પટેલ વર્લ્ડ રેકોર્ડ - ઈન્ડિયા બની ચૂક્યા છે.

તાજેતરમાં એવોર્ડ- શિલ્ડ શિક્ષણમંત્રીના હસ્તે મેળવ્યો છે. બ્રેઈન યોગા ટ્રેનર શૈલેષભાઈ કહે છે કે, બાળકને શિક્ષણ આપવું જરૂરી છે તેટલું જ જરૂરી તેમનામાં શિક્ષણ લેવાની ઝંખના જગાવવાનું છે. શિક્ષણ પ્રત્યેની ઝંખતા બાળકોને બ્રેઈન યોગાથી સાર્થક થઈ શકે છે અને થઈ રહી છે.

ખાનગી કોચિંગ ક્લાસથી જીવન નિર્વાહ કરતા વિજાપુરના કુકરવાડાના શૈલેષ એમ પટેલ જીસીઈઆરટીના મહેસાણા જિલ્લા શિક્ષણ ભવન દ્વારા પણ તજજ્ઞ તરીકે બ્રેઈન યોગા તાલીમ વિવિધ શૈક્ષણિક સંસ્થાઓમાં આપી રહ્યા છે.

સ્કૂલ -કોલેજમાં પહોંચીને બાળકોને ગોલ નક્કી કરવાની ટેકનિકલ,તંદુરસ્ત જીવન જીવવાની કળા, મેમરી એન્ડ માર્ઇન્ડ પાવરની

યોગા ટેકનીકલ શીખવતા પાંચ વર્ષમાં ૩૧ ડિસેમ્બરે ૧૦૦૮ સંસ્થાઓમાં બ્રેઈન યોગારૂપ સહસ્ત્ર શિક્ષાર્થી હવન પૂર્ણ કર્યાનો આનંદ વ્યક્ત કર્યો હતો.

બ્રેઈન યોગા ટ્રેનર શૈલેષભાઈએ કહ્યું કે, જેમ ખેતરમાં બીજ વાવતાં પહેલાં તેને ખેડવું જરૂરી છે તેમ ભણવામાં મગજની જરૂર પડે તો તેની ધાર (એકાગ્રતા) તેજ બનાવવાના ઘણા પાયો છે. શિક્ષણની સાથે સાથે બાળક જીવનમાં આવનાર કોઈપણ પરિસ્થિતિનો સામનો કરી પોતાના કલા કૌશલ્યનો વિકાસ કરી શકે છે. જેમાં ઘણા વાલીઓના બાળકોમાં બ્રેઈનયોગાથી બદલાવ આવ્યો હોવાના પ્રતિભાવ આવતાં બ્રેઈન યોગાના વધુ કાર્યક્રમ માટે ઉર્જા મળી રહ્યાનું તેમણે કહ્યું હતું. (ભાસ્કર ન્યુઝ)

## અમરેલી જિલ્લાના ટેકનોકેટ શિક્ષકે નવતર શૈક્ષણિક પ્રયોગો એપ વિકસાવી

૩૦૦ જેટલા શૈક્ષણિક પ્રયોગો દેશ-દુનિયાના કોઈપણ ખૂણેથી નિહાળી શકાશે

દેશના વડાપ્રધાન શ્રી નરેન્દ્રભાઈ મોદીના ડિજિટલ ઈન્ડિયાના સપનાને સિદ્ધ કરવા અમરેલી જિલ્લાના જાફરાબાદના રોહિસા ગામના શિક્ષક શ્રી સંજય પારધીએ કમર કસી છે. કોમ્પ્યુટરની કોઈ ડિઝીન હોવા છતાં અંગત રુચિ હોવાથી કોમ્પ્યુટરમાં સારું જ્ઞાન ધરાવનાર સંજયભાઈને વિચાર આવ્યો કે અમરેલી જિલ્લાના શિક્ષકોએ છેલ્લા ૫ વર્ષમાં ૩૦૦ જેટલા શૈક્ષણિક ઈનોવેશનો (નવતર અભિગમો) રજૂ કર્યા હતા પરંતુ આવા શૈક્ષણિક ઈનોવેશનોની પહોંચ ઓછી હોવાથી એનો ઉપયોગ સીમિત થયો હતો. આથી એમણે ડિજિટલ માધ્યમથી સમગ્ર જિલ્લા સહીત રાજ્યભરના શિક્ષકો સુધી પહોંચે તે માટે એન્ડ્રોઇડ એપ બનાવવાનું નક્કી કર્યું. દર વર્ષે

## આલેખન : સુમિત ગોહિલ

જિલ્લા શિક્ષણ અને તાલીમ ભવન અમરેલી દ્વારા એજ્યુકેશન ઈનોવેશન ફેસ્ટિવલ ઉજવવામાં આવે છે. આ ફેસ્ટિવલમાં વર્ષ ૨૦૧૫-૧૬ માં કુલ ૫૬, વર્ષ ૨૦૧૬-૧૭માં કુલ ૬૨, વર્ષ ૨૦૧૭-૧૮માં કુલ ૬૫, વર્ષ ૨૦૧૮-૧૯માં કુલ ૫૦ અને વર્ષ ૨૦૧૯-૨૦ માં કુલ ૬૧ એમ કુલ મળીને અંદાજે ૩૦૦ જેટલા નવતર પ્રયોગો રજૂ કરવામાં આવ્યા હતા.

સંજયભાઈએ સમગ્ર જિલ્લા સહીત રાજ્યના શિક્ષકોને ઉપલબ્ધ થાય તે માટે નવતર શૈક્ષણિક પ્રયોગો એપ વિકસાવી આ તમામ ૩૦૦ ઈનોવેશનની સંપૂર્ણ માહિતી મૂકી હતી. ગત ૨

જાન્યુઆરી ૨૦૨૦ ના આ એપ લોન્ચ કરવામાં આવી હતી અને આજ સુધીમાં અંદાજે ૫૦૦ થી વધુ શિક્ષકમિત્રો જોડાયા છે. વાતચીત દરમિયાન સંજયભાઈએ જણાવ્યું હતું કે શિક્ષણને વધુમાં વધુ અસરકારક બનાવવા માટે શિક્ષકો પોતાના શિક્ષણકાર્યમાં અવનવા પ્રયોગો કરતા જ રહે છે જેના થકી શાળાના બાળકો અને શિક્ષણકાર્યમાં ખુબ જ પરિવર્તન થતું રહે છે. જ્યારે શિક્ષક તરીકે અમને સમાજના આવૃત્તિકાલ એવા બાળકોનું ઘડતર કરવાની તક જ્યારે મળી છે ત્યારે અમે રાજ્ય સરકારને ખુબ જ આભારી છીએ. આ એપ્લિકેશન બનાવવામાં મારા અથાગ પ્રયત્નો અને તનતોડ મહેનત છે. આ એપ્લિકેશનના માધ્યમથી મારા જેવા હજારો શિક્ષકમિત્રો એક બીજાના નવતર

પ્રયોગોને નિહાળી શકશે અને જો એમને ગમે તો એ પોતાના શિક્ષણકાર્યમાં ફોલો પણ કરી શકશે. આ એપ્લિકેશન ઉપરાંત વાંચન લેખન ગણન, બાળગીત કાવ્ય ખજાનો, સાયન્સ મોડેલ્સ, આલ્ફાબેટ્સ અને સ્કૂલ સાથી જેવી અન્ય શૈક્ષણિક એપ્લિકેશન વિકસાવી છે. આ બધી એપ્લિકેશનોનો લગભગ ૧ લાખ જેટલા લોકોએ લાભ લીધો છે. અમરેલીના જિલ્લા શિક્ષણ અને તાલીમ ભવનના જિલ્લા ઈનોવેશન કોઓર્ડિનેટર ભરતભાઈ ડેર, જિલ્લા શિક્ષણ અને તાલીમ ભવનના પ્રાચાર્ય સુશ્રી દક્ષાબેન પાઠકે અને શિક્ષણ સમિતિના પદાધિકારીઓએ રાજ્યના તમામ શિક્ષકોને શિક્ષણ કાર્યમાં મદદરૂપ થાય એવી એપ્લિકેશન વિકસાવવા બદલ અભિનંદન આપ્યા હતા.

## દ્રષ્ટિમર્યાદા છતાં સૌથી નાની ઉંમરમાં પીએચડીની ડિગ્રી મેળવી

હેદરાબાદ:

શારીરિક મર્યાદા છતાં ઘણા લોકો પોતાની કાબેલિયત સિદ્ધ કરી બતાવે છે. હેદરાબાદની જ્યોત્સના ફનિજા દિવાંગ છે. દ્રષ્ટિહીન છે, પણ માત્ર ૨૫ વર્ષની ઉંમરમાં ઓગે પીએચડી પૂરી કરી લીધી છે. આ એક

વિક્રમ છે. જ્યોત્સના ભારતીય વિશ્વ વિદ્યાલયમાં અંગ્રેજ સાહિત્યમાં સૌથી નાની ઉંમરમાં પીએચડી પૂરી કરનાર વિદ્યાર્થી બની છે. એક અંગ્રેજ અખબારના અહેવાલ પ્રમાણે જ્યોત્સના જન્મજાત અંધ છે. ઈંગ્લિશ એન્ડ ફોરેન લેન્ગ્વેજ યુનિવર્સિટીમાં ઓગે આ

ઉપલબ્ધિ મેળવી છે. દસમા ધોરણ સુધી ઓગે બ્લાઈન્ડ સ્કૂલમાંથી શિક્ષણ મેળવ્યું હતું, જ્યોત્સનાને જ્યારે એક કોલેજના પ્રિન્સિપાલે એડમિશન આપવાની મનાઈ કરી હતી એને ઓગે પચકાર તરીકે લીધું હતું. એના પીએચડીનો વિષય પોસ્ટ કોલોનિયલ વુમન

સ્ટડીઝ હતો. ઓગે ૧૦ લેખો ને ૬ સંશોધનપત્રો લખેલો છે.

૨૦૧૧માં એ નેટ પાસ થઈ ગઈ હતી. એને શૈક્ષણિક લાયકાતને આધારે હવે દિલ્લી યુનિવર્સિટીમાં આસિસ્ટન્ટ પ્રોફેસરની નોકરી મળી ગઈ છે.

## :: અગત્યની સુચના ::

અમારા માનવંતા વાચક મીત્રો -વિજ્ઞાપન દાતાઓ લવાજમ ધારકો તથા શુભેચ્છકોને જણાવવાનું કે હવેથી પર્સનલ કોમ્પ્યુટર દુ કે નો તમામ પ્રકારનો પત્રવ્યવહાર સુચનો ફરીયાદો અમને અમારી નીચેની ઓફીસના સરનામે જ મોકલશો.

# AVERTEK AWARDED THE MOST TRUSTED IT BRAND BY BRAND EMPOWERMENT IN NQA 2023

We are proud to announce that Avertex, a renowned computer and CCTV hardware brand based in Mumbai, has been honored with the prestigious award for being the most trusted brand in the industry for the past 20 years. This recognition is a testament to their commitment to providing high quality

and affordable products to their customers. The award was presented by none other than Sonali Bendre, a prominent figure in the entertainment industry, in the presence of several other dignitaries. It is indeed a momentous occasion for Avertex and highlights their dedication towards delivering

reliable computer and CCTV hardware solutions. Under the leadership of its proprietors, Mr. Mahendra Mutha and Mr. Kamlesh Mutha, Avertex has established itself as a leading player in the market. The brand specializes in surveillance hard drives, monitors, RAM, SSDs, and various other

computer peripherals.

The NQA Awards, 2023 by BRAND EMPOWERMENT have recognized Avertex's consistent performance and customer centric approach over the years. Their ability to deliver cutting edge technology coupled with exceptional customer service has set them apart from competitors.

## WINDOWS 11 PREVIEW ADDS BIOMETRIC LOGIN FOR WEBSITES AND APPS VIA WINDOWS HELLO

Windows 11 will soon add support for biometric authentication for logging in to websites, and functionality for the feature has been spotted on the latest preview version of the operating system. Microsoft already allows users to log in to their PC using their face, fingerprint, or a PIN, and the new functionality will let users seamlessly sign in to a site or application with passkeys support, without entering a password. Unlike traditional passwords, passkeys are considered a secure option as they cannot be stolen from a hacked server, and support for password-less logins is already available on iOS and

Android.

In a recent blog post announcing the rollout of Windows 11 Insider Preview Build 23486, Microsoft states that users can now visit an app or a website with support

for password-less logins on Windows — such as Ebay, Google, and Best Buy — and create a passkey from their account settings. They can then sign in to their account again using the newly created

passkey using a face, fingerprint, or PIN via Windows Hello.

According to the company, users can also sign in to websites by creating and saving a passkey on their smartphone while using Microsoft Edge, then visiting a website on their Windows PC and log in to the website using the passkey stored on their handset.

In order to easily manage and control the use of password-less logins on Windows, Microsoft says users can access all passkeys via the Windows Settings app. The controls for passkeys is located at Settings > Accounts > Passkeys, and

the section will show a list of all passkeys saved on the PC. Individual website passkeys can be searched and deleted from the same menu, according to the company.

The introduction of passkeys and password-less logins is expected to improve security for users as passwords aren't saved on a website's server, protecting users' logins from being stolen during a data breach. According to Microsoft, the latest passkey login for websites and apps is supported on Insider Preview Build 23486, which means that users on the stable channel will have to wait for a while before it is rolled out by the company.

## IP-COM ANNOUNCES NEW ENTERPRISE ROUTERS 'M80' & 'M50'

DUAL-CORE PROCESSORS WITH ENHANCED SECURITY FOR REDUNDANT NETWORKING AND HOTSPOTS

Upgrading your IT infrastructure requires a lot of planning. Planning well ahead to keeping in mind the requirement for future performance and upscaling while substantially reducing upgrade costs is key to any enterprise's IT infrastructure. And ensuring that these requirements are met by your IT team, IP-COM announces two new Enterprise Router + APs Controller + Multi WAN Ports that are robust enough to handle loads, while offering redundancy. Presenting the M80 — a 300-Users Enterprise Router and M50 — a 200-Users Enterprise Router for small to medium-sized enterprises.

M80 300-Users Enterprise Router & 200 APs Controller The M80 is a Gigabit enterprise router designed for high-requirement users including enterprises, hotels, and community bandwidth operations. The router is equipped with a dual-core

special 1.4GHz dual-core network processor with 4GB of high-speed DDR3 RAM. It adopts IP-COM enterprise system firmware using a built-in intelligent AP management system, which can automatically distribute and maintain automatic AP configuration. It supports WEB account password authentication, WEB key authentication, PPPoE Server access authentication mode, and a few other securities which can meet the access authentication requirements under different scenarios. In addition, it also supports multiple WAN bandwidth superposition and load balancing, behavior management, VPN, intelligent bandwidth control, USB file sharing, and many more features. The M80 features 5 Gigabit Ethernet ports, four of which can be configured for either WAN or LAN, based on the requirement for WAN

**IP-COM**  
World Wide Wireless

redundancy or LAN sharing. It can support a maximum of 300 users, 500 Web users, 200 PPPoE users, 32 VPN users, and 15 QVLAN users, apart from 200 Access Points with support for AP wireless configuration and automatic download. The M80 also features IPSec/L2TP VPN with a maximum of 32 concurrent tunnels.

M50 200-Users Enterprise Router & 100 APs Controller The M50 a Multi-WAN Hotspot Router is designed for the implementation of intelligent AP management systems. It supports a multi-authentication management system, and various enterprise-oriented functions

including filter management, intelligent bandwidth management, PPTP/L2TP/IPSec VPN, and multi-WAN. It features an 800MHz dual-core processor with 512MB of RAM and 5 Gigabit Ethernet ports offering support for up to 4 LAN / WAN configurations for load balancing with smart bandwidth control. Additionally, it also features a built-in AP controller that can seamlessly manage up to 100 Access Points. It supports a maximum user capacity of 200 users, 3900 new sessions, 55,000 concurrent sessions, and 300 captive portal accounts.

Pricing and Availability IP-COM M80 300-Users and M50 200-Users Enterprise Router is available through authorized IP-Com partners and other reseller channels (price on request). Email: support.in@ip-com.com.cn

About IP-COM:

Established in 2007, IP-COM

Networks Co., Ltd specializes in commercial networking devices, providing high-speed, secure, easy-maintenance networking devices and solutions for enterprises. With unceasing efforts in technological innovation and marketing, IP-COM has become a global leading manufacturer and supplier of enterprise networking products and commercial networking solutions. Currently, IP-COM provides extensive product lines including Enterprise Routers & Switches, Customer Premises Equipment (CPE), WLAN, ProFi System and Accessories. IP-COM never stops pursuing the core value of customer satisfaction. By constant improvement of product development, supply and service, IP-COM devotes all efforts to provide customers with high-quality, high-performance products and service.

TOTAL 200 UNITS OF BLOOD COLLECTED TO HELP THE PATIENTS OF THALASSEMIA AND OTHER NEEDY PATIENTS.

SITA - President Bihag Bhai Vijaybhai Desai and Committee Member of SITA Association  
This blood donation camp was organised at Rotary Hall, Jeevan Bharti School,

Nanapura, Surat on Sunday, 11th June 2023. Total 200 units of blood collected to help the patients of Thalassemia and other needy patients.  
This camp was organised

with an aim to help the society keeping in mind the motto of RAKTADAAN MAHADAAAN. This camp got an overwhelming response from blood donors. We thank all the blood donors. We also

thank our gift sponsors, MSI, TeamOffice and Prama for their contributions to honour the blood donors.  
Our sincere thanks to the team of Surat Raktadaan Kendra and Chandlaa Gali

Yuvak Mandal for their support and cooperation. Our association also organises IT Expo, Cricket Tournament, IT awareness Camps and Family Get Together for our members.
