MR. MAGAN GANGANI
PRESIDENT - TAIT

TAIT ORGANIZES KNOWLEDGE SESSION ON CRM OPPORTUNITIES FOR IT BUSINESSES

MR. UDAYKUMAR BHOJANI
EDITOR - PCT Magazine
MEDIA PARTNER - TAIT

The Trade Association of Information Technology (TAIT), one of India's leading IT associations, organized a knowledge session titled "Opportunities for TAIT Members in the CRM Market", bringing together IT traders, system integrators, and solution providers for an evening of learning and networking. The session was conducted as part of TAIT's ongoing efforts to equip its members

with practical business knowledge and emerging technology opportunities that can drive growth in a competitive marketplace. The keynote speaker for the event, Mr. Limesh Parekh, a renowned expert in CRM and enterprise solutions, delivered two highly relevant and business-focused sessions. In the first session, Mr. Parekh highlighted how CRM benefits businesses, covering areas such as customer lifecycle management, improved sales efficiency, better service delivery, and data-driven decision-making. In the second session, he explained how IT traders can do business with CRM, outlining opportunities in CRM implementation, customization, support

services, and recurring revenue models, particularly for SMEs and MSMEs. Mr. Limesh Parekh was formally welcomed with a bouquet by Mr. Rushabh Shah, one of the Directors of TAIT. The event was hosted by Mr. Hiren Sheth, Director – TAIT, who extended a warm welcome to all members and provided a brief introduction of the speaker, setting the context for the evening's discussions. Addressing the gathering, TAIT representatives emphasized the importance of adopting solution-led approaches rather than product-only selling and encouraged members to explore CRM as a strategic business opportunity. During the event, TAIT also

announced its upcoming TAIT Cricketing Event scheduled for 8th February 2025. With 12 teams already confirmed, the association invited additional teams and sponsors to participate, highlighting the event as a platform for networking, engagement, and community building within the IT fraternity. At the conclusion of the session, Mr. Magan Gangani, President – TAIT, along with other Directors including Mr. Rushabh Shah, Mr. Hiren Sheth, Mr. Janak Mehtalia, Mr. Nikesh Jain and Mr. Jitendra Makwana, presented a memento and gift to Mr. Limesh Parekh and his team members as a token of appreciation for their valuable contribution. The evening also featured

early bird rewards, lucky draws, and networking opportunities. TAIT further acknowledged its Media Partner, Personal Computer, for their continued support to the association. The event received an encouraging response from TAIT members and industry stakeholders, reaffirming TAIT's role as a strong industry body focused on growth, collaboration, and knowledge sharing within the IT ecosystem.

HIGHLIGHTS THE POWER OF NETWORKING, WORKPLACE INNOVATION, AND REGULATORY AWARENESS

The Association of System Integrators and Retailers in Technology (ASIRT) successfully hosted TechDay #133 at Hotel Parle International, Vile Parle (E), Mumbai, bringing together system integrators, solution providers, and industry leaders for an evening focused on technology insights, peer networking, and ecosystem growth. The event opened with an overview of ASIRT's journey and milestones, presented by Kshitij Kotak, who highlighted the association's expanding footprint with 270+ active members. He also shared updates on upcoming initiatives, including the much-anticipated ASIRT

Cricket Premier League – Season 7 (ACPL 7), which continues to strengthen community engagement beyond business. This was followed by the Member Sponsor presentation by Aegis Infoware, setting the stage for a joint technology showcase by Syrotech in association with GO IP and Grandstream. The session showcased the latest networking and communication solutions designed to address the evolving needs of system integrators and IT service businesses. Adding a global industry perspective, Rewati Kamath from Messe München addressed the members and

ASIRT
PARTNER PROGRESS EVOLVE
shared insights into upcoming national and international industry exhibitions, where ASIRT will participate as an invited association—creating new opportunities for member visibility and global engagement. The Member Presentation by Ruparel Computers featured RoomNXT, its workplace management solution. The session demonstrated innovative office modules and illustrated how technology-enabled workplaces can improve operational efficiency, employee productivity, and space

utilization in modern organizations. A key highlight of the evening was the Evolve session, led by Aniket Shelar, Legal Advisor and Consultant specializing in HR and Labour Laws. He offered a clear and practical overview of the newly introduced Four Labour Codes, explaining their impact on business operations, workforce management, and statutory compliance—particularly relevant for IT companies and system integrators navigating regulatory changes. The event concluded with an interactive networking dinner, enabling members to exchange ideas, explore collaborations, and reinforce

the strong sense of community that defines ASIRT. AboutASIRT: The Association of System Integrators and Retailers in Technology (ASIRT) is one of India's leading IT trade associations, dedicated to empowering system integrators and technology retailers through collaboration, knowledge sharing, and business enablement. Through initiatives such as TechDays, Consortiums, ACPL, and the Synergy Biz Conclave, ASIRT continues to strengthen and unify the IT channel ecosystem. For more information, visit www.asirt.in

SEMINAR ORGANIZED FOR SUGGESTIONS ON ECONOMIC REFORMS IN BUDGET 2026

The International Vaishya Federation (IVF) Bangalore Chapter organized a seminar to gather suggestions for reforms in the upcoming Budget 2026, which will be submitted to the Central and State Finance Departments on behalf of IVF.

Federation President Lalit Dakalia welcomed everyone and explained that IVF has taken this step to address the tax-related concerns of its members and to convey their issues to the government, keeping the interests of the business community in mind.

Chairman Babu Bhai Mehta provided a detailed explanation of business and taxation. Special speaker Neeraj Bansal urged the government to simplify formalities in GST and Income Tax for the business community, allowing them more time to focus on their businesses. Tax consultant Roopchand Kumawat, while conducting the program, suggested keeping GST rates to a minimum and having only one or two tax slabs to increase tax collection and encourage voluntary tax compliance. CA Lalit Dhariwal stated that providing a revision facility on the tax portal to correct unintentional errors would save working time for both the department and taxpayers.

He also added that prompt settlement of tax claims would ensure that traders' capital remains invested in their businesses. The program was conducted by Prashant Singhi, and Roopchand Kumawat delivered the vote of thanks. National Executive President Bipin Ram Agarwal stated that these budget suggestions would be forwarded to the relevant ministries at the national level. IVF Women's Wing President Ritu Agarwal, President of the Federation of Karnataka Traders Association Prakash Mandot, and President of the Bangalore Electronic Dealers Association Vishal Varandani also shared their views on tax reforms.

The program concluded with the national anthem. In the program, Chairman Babu Bhai Mehta, President Lalit Dakaliya, Vice President Dr. Vasudev Sarda, General Secretary Prashant Singhi, Joint Secretaries Kunal Marlecha, Dharmendra Sanklecha, Ashok Mehta, Manish A Jain, Kapish Lahoti, Rajneesh Verma, Ravi Jain, Sunil Lodha, Dinesh Porwad, Suraj Jain, Mukesh Pagariya, Vijayraj Lodha, Arun Kumar from Hiriyur, and Raghavendra from Chitradurga, along with many other members, shared their views during the discussion.

આજના સમય મુજબ ઈનોવેશન ધમાકા : CES 2026 માં શું નવું જોવા મળશે

CES 2026 બહુ જલદી લાસ વેગાસમાં શરૂ થઈ રહ્યો છે. દુનિયાનો સૌથી મોટો કન્સ્યુમર ઇલેક્ટ્રોનિક્સ શો દ-૯ જાન્યુઆરીએ યોજાઈ રહ્યો છે. આ શોમાં દર વર્ષે નવી-નવી ટેકોલોજીને લોન્ચ કરવામાં આવે છે. એવી ટેકોલોજી જેના દ્વારા લાઈફને વધુ સરળ અને એડવાન્સ બનાવી શકાય. આ ઇવેન્ટમાં દુનિયાભરની મોટી-મોટી કંપનીઓ પોતાની ટેકોલોજીને લોન્ચ કરે છે. નાના-મોટા દરેક ગેજેટ્સને ઘણી કંપનીઓ અહીં લોન્ચ કરે છે. આ ઇવેન્ટમાં ઈનોવેશન અને ટેકોલોજી વિશે વાત કરવામાં આવે છે. જોકે આ વર્ષે કઈ કઈ ટેકોલોજી ચર્ચામાં રહી શકે એના પર એક નજર કરીએ.

ડિવાઈસમાં AI નો સમાવેશ

AI આ વર્ષે સૌથી વધુ ચર્ચામાં રહેશે એમાં બે મત નથી. જોકે એમાં પણ હવે ડિવાઈસની અંદર AIનો સમાવેશ કરવામાં આવે એ વધુ ચર્ચામાં રહેશે. અત્યારે AIનો ઉપયોગ કરવા માટે ચેટબોટનો ઉપયોગ કરવામાં આવે છે. જોકે હવે કંપનીઓ ઉદાહરણ તરીકે મોબાઈલની અંદર જ AIનો સમાવેશ કરશે. આથી યુઝર્સ ચેટબોટ અથવા તો સર્વર પર નિર્ભર નહીં રહેવું પડે. તેમ જ એ યુઝરનું પોતાનું AI હોવાથી એ યુઝરની જરૂરિયાત પ્રમાણે ટ્રેઈન થશે અને કામ કરશે. આથી આ વર્ષે AIનો સમાવેશ, ચિપ, ઓપરેટિંગ સિસ્ટમ, સેન્સર અને મધરબોર્ડમાં પણ કરવામાં આવી શકે છે. જો ઓન-ડિવાઈસ AI આવી ગયું તો જે પણ યુઝર્સને ડેટાને લઈને પ્રાઈવસીનો પ્રશ્ન છે એનો પણ ઉકેલ આવી જશે. આથી આ પ્રકારની કેટલી ડિવાઈસ લોન્ચ કરવામાં આવે એ જોવું રહ્યું.

ઘરના કામ કરવા માટેના રોબોટ્સ

CESમાં છેલ્લા ઘણાં વર્ષોથી રોબોટિક્સ પર ધ્યાન આપવામાં આવી રહ્યું છે. જોકે આ વર્ષે પણ એ ચર્ચામાં રહેશે. ચીનમાં હાલમાં હુમનોઈડ્સ અને ઘરના કામ કરવા માટેના રોબોટ્સની ખૂબ જ બોલબાલા છે. આથી આ વર્ષે CESમાં પણ એવી ઘણી પ્રોડક્ટ જોવા મળી શકે છે. આર્ટિફિશિયલ ઇન્ટેલિજન્સને કારણે હવે રોબોટ્સ ખૂબ જ સારી રીતે કામ કરી શકે છે. આથી બ્લમાં રોબોટ્સની કેટેગરીમાં ઘણી પ્રોડક્ટ જોવા મળી શકે છે. અત્યાર સુધી વેક્યુમ ક્લીનર અને કચરો-પોતું કરવા માટેના રોબોટ્સ ઘણાં આવી ચૂક્યા છે. જોકે આ વર્ષે હુમનોઈડ્સ આવશે. એટલે કે વ્યક્તિની જેમ કામ કરતાં રોબોટ્સ જેને જે કામ આપવામાં આવશે એ કરશે. જોકે એની પણ સેફ્ટી અને પ્રાઈવસીને લઈને સવાલો ઊભા થશે.

સ્માર્ટ હોમ વધુ સ્માર્ટ બનશે

છેલ્લા ઘણાં વર્ષોથી સ્માર્ટ હોમ બનાવવા માટે કંપનીઓ મંડી પડી છે. જોકે આ જ સુધી એમાં જોઈએ એટલું સારું પરિણામ નથી મળ્યું, પરંતુ આ વર્ષે AIને કારણે સ્માર્ટ હોમ વધુ સ્માર્ટ બનશે એવી આશા છે. AIની મદદથી હવે આ પ્રોડક્ટ વધુ નેચરલ કમાન્ડને સમજતાં થશે. આ સાથે જ યુઝરના મૂડ અને એક્ટિવિટી અનુસાર કામ કરતા પણ થશે. હાલમાં કેટલાક સ્માર્ટ ફ્રિજ એવા છે જેમાં કઈ-કઈ વાનગી રાખવામાં આવી છે એની નોંધ રાખે છે. આ સાથે જ સેમસંગના સ્માર્ટ ફ્રિજમાં પણ ઘણાં ફીચર્સ ફૂડ માટેના આપવામાં આવ્યાં છે. આથી કોઈ એવું ફ્રિજ લોન્ચ કરવામાં આવ્યું જેની અંદર જે-જે આઈટમ છે એના આધારે શું બનાવી શકાય એ ફ્રિજ પોતે જ કહી શકે. મેડિટેશન સમયે કેવી લાઈટિંગ હોવી જોઈએ વગેરે AIની મદદથી સ્માર્ટ થશે.

ટીવીની બોલબાલા

છેલ્લા ઘણાં સમયથી CESમાં સ્ક્રીન એટલે કે ટીવીની ખૂબ જ બોલબાલા રહી છે. રોલેબલ ટીવીથી લઈને ટ્રાન્સપરન્ટ ટીવી અને જોરદાર ફીચર્સવાળા ટીવી વગેરે-વગેરેને આજ સુધી અહીં લોન્ચ કરવામાં આવ્યાં છે. કેટલીક કંપનીઓએ તેમના પ્રોટોટાઈપ પણ આ ઇવેન્ટમાં લોન્ચ કરી છે. આથી આ વર્ષે પણ ટીવીની બોલબાલા જરૂર હશે.

આ વર્ષે ટીવીની ક્વોલિટીની સાથે મિડ-રેન્જ બજેટ ટીવીમાં પણ ઘણાં ફીચર્સનો સમાવેશ કરવામાં આવશે એવી શક્યતા છે. વધુ સારી બેકલાઈટ અને વધુ સારા ગ્રાફિક્સનો સમાવેશ કરવામાં આવે એવી પણ આશા રાખવામાં આવી રહી છે.

લેપટોપ અને વીયરેબલ ગેજેટ્સ

મેટાના રે-બેન ગ્લાસ માર્કેટમાં ચર્ચામાં છે ત્યારે હવે અન્ય કંપની પણ તેમના સ્માર્ટ ગ્લાસિસને લોન્ચ કરી શકે છે. CESમાં ઘણી કંપની તેમના પ્રોટોટાઈપ અને કોન્સપ્ટ ડિવાઈસને પણ લોન્ચ કરે છે. આથી સ્નેપ્ચેટ પણ તેના ગ્લાસિસને લોન્ચ કરે એવું બની શકે છે.

આ સાથે જ નાની-નાની કંપનીઓ પણ વિવિધ સ્માર્ટ ગ્લાસ લોન્ચ કરી શકે છે. સ્માર્ટ ગ્લાસની સાથે સ્માર્ટ વોચ પણ ચર્ચામાં રહેશે. AIની મદદથી હવે હેલ્થને વધુ સારી રીતે મોનિટર કરવા માટેની ડિવાઈસ લોન્ચ કરવામાં આવી શકે છે. બની શકે કે સેન્સર અને AIની મદદથી કોઈ બીમારી થવા પહેલાં જ નિદાન થઈ જાય એવું ફીચર અથવા તો ગેજેટ્સ પણ લોન્ચ કરવામાં આવી શકે છે.

:: અગત્યની સુચના ::

અમારા માનવંતા વાચક મીત્રો -વિજ્ઞાપન દાતાઓ લવાજમ ધારકો તથા શુભેચ્છકોને જણાવવાનું કે હવેથી પર્સનલ કોમ્પ્યુટર ટુ ડે નો તમામ પ્રકારનો પત્રવ્યવહાર સુચનો ફરીયાદો અમને અમારી નીચેની ઓફીસના સરનામે જ મોકલશો.

SSSA BUSINESS EXPO 4.0 EXHIBITION SPECIAL EDITION

SECURITY FOR TOMORROW

PRAMA's advanced AI technology differentiates people and vehicle from other moving objects by reducing the false alarms and allowing to focus on real threats.
